

The background features a complex, abstract geometric pattern of parallel lines in various colors (teal, pink, yellow, light blue, and grey) that intersect to form a woven or grid-like structure. The lines are arranged in several distinct groups: a set of five teal lines at the top; a set of four pink lines on the left; a set of four yellow lines in the center; a set of four light blue lines at the bottom; and a set of four grey lines on the right. These groups of lines intersect to create a central woven area.
